## Directors Message Gerard Smith

Hello and thank you for inquiring about our services.

Go Vertical Bungy has been entertaining New Zealand children for over 7 years at shopping centres, company and family functions, birthdays, schools, tradeshows, council events, seasonal events and functions.

Whether your event is large or small we will go out of our way to make your next function or party a fantastic and memorable success.

We have a range of prices and configurations to suit different budgets and a large selection of other entertainment equipment and amusements available should be looking for alternative entertainment options - please enquire.

Go Vertical Bungy's commitment is to offer an innovative entertainment experience, with a friendly welcome and a focus on customer safety and enjoyment. Our company has an unsurpassed safety record in the New Zealand amusement industry - Trust your next event to the professionals.

We look forward to working together with you to make your next event a fun and memorable one.

**Site requirements:**

- ▶ An area of between 3 and 12 metres depending on unit type
- ▶ A relatively flat surface, either grass or sealed
- ▶ A height clearance of 9 mtrs
- ▶ 10amp/240volt power source required (we can provide generators as an optional extra)

### Hire Includes:

- ▶ Two qualified and uniformed operators
- ▶ Unit relocation within the greater Auckland area
- ▶ Letter of Agreement guaranteed contracts provided with every event
- ▶ All equipment is operated with full OSH certification, local authority permits and comprehensive public liability insurance
- ▶ All hire is inclusive of installation and removal from your site and fully trained staff for the entire event duration.
- ▶ Go Vertical Bungy guarantees all event times and dates at time of booking
- ▶ Our units are properly maintained and comply with all relevant New Zealand Safety Standards.

### Hardware Profile:

- ▶ High quality Swiss made aluminum structure with German engineered components
- ▶ Commercial grade inflatable air mats
- ▶ Professional mountaineering ropes, pulleys and carabineers
- ▶ Purpose built elastics
- ▶ Industrial quality, all weather winches
- ▶ RCD protected power board compliant with Australasian Safety Standards Assembly

**"Trust your next event to the entertainment professionals"**
