GO VERTICAL BUNGY

Get your next event
JUMPING!

Towering 8 metres above the ground the fully mobile Bungy Combo is designed to accommodate 4 rock climbers and 2 Bungy Trampoline jumpers simultaneously. The Climbing Wall contains an unlimited number of climbing routes for novice right through to professional climbers. On the Wall's trailer end is a unique system allowing for two "Go Vertical" Bungy Trampolines to be operated simultaneously. Another confidence boosting attraction, the Bungy Combo offers two activities rolled into one... perfectly catering for all different ages and events.

Ideal for:

- ▶ Corporate Events
 - ▶ Corporate Christmas
 - ▶ Parties
 - ▶ School Galas
 - ▶ Fundraisers
 - ▶ Events and Festivals
 - ▶ Promotions
 - ▶ Youth Groups
 - ▶ Community Organisations
 - ▶ TV / Radio Promotions
 - ▶ School holiday programs
 - ▶ Xmas / Birthday Parties
 - ▶ Team Building
 - ▶ Product Launches
 - ▶ Shows and Parades
 - ▶ Shopping Centres
 - ▶ Council events
 - ▶ Resorts
- (great holiday entertainment)

OSH rated to accommodate weights of between 10kgs up to 120kgs and appeal to a very large demographic. Bungy Trampoline and Climbing Wall participants are typically between 4-25 years of age. - this of course doesn't stop the occasional Mum and Dad

Directors Message Gerard Smith

Hello and thank you for inquiring about our services.

Go Vertical Bungy has been entertaining New Zealand children for over 7 years at shopping centres, company and family functions, birthdays, schools, tradeshows, council events, seasonal events and functions.

Whether your event is large or small we will go out of our way to make your next function or party a fantastic and memorable success.

We have a range of prices and configurations to suit different budgets and a large selection of other entertainment equipment and amusements available should be looking for alternative entertainment options - please enquire.

Go Vertical Bungy's commitment is to offer an innovative entertainment experience, with a friendly welcome and a focus on customer safety and enjoyment. Our company has an unsurpassed safety record in the New Zealand amusement industry - Trust your next event to the professionals.

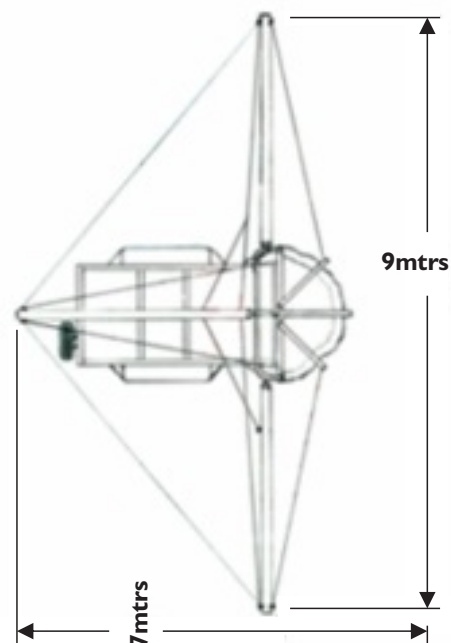

We look forward to working together with you to make your next event a fun and memorable one.

GO VERTICAL BUNGY
P.O BOX 21-503,

Site requirements:

- ▶ An area of 4x7 metres or 9x7 metres depending on unit type
- ▶ A relatively flat surface, either grass or sealed
- ▶ A height clearance of 9 mtrs
- ▶ 10amp/240volt power source required (we can provide generators as an optional extra)

The Mobile Climbing Wall / Bungy Combo features:

- ▶ Fully portable mobile transport
- ▶ 4 adjustable climbing routes plus two Bungy Jump stations
- ▶ Real "rock-like" texturing
- ▶ Speed harnesses for quicker and easier fitting and removal (especially good for school programs)
- ▶ and most importantly the new "Auto-Belay" System for a safe and controlled descent

Hardware Profile:

The Bungy Combo was co-designed and constructed in the USA by America's largest Climbing Walls manufacturer, Extreme Engineering and Eurobungy USA using only the best of materials. These include;

- ▶ Fully redundant and patented Auto-Belay technology
- ▶ Powder coated steel Climbing Wall construction
- ▶ German engineered Bungy Trampoline components
- ▶ Commercial grade inflatable air mats
- ▶ Professional mountaineering ropes, pulleys and carabineers
- ▶ Purpose built elastics
- ▶ Industrial quality, all weather winches

"Trust your next event to the entertainment professionals"
